**THIS IS NO ORDINARY CAREERS EXPO!**
**THIS IS YOUR CHANCE TO:**

- See how leading local businesses shape our world through science, technology and innovation.
- Hear from experts in health and medical technology, energy and transport, engineering and the environment.
- Explore possible future careers and courses.
- Interact and play with exciting technologies.

Thinking about your future can be confusing. How will you know what career to choose? Will it be fun, interesting and rewarding? Which subjects and courses should you do to prepare? What if you get it wrong? The good news is, these questions can all be answered at KIOSC’s “Careers of the Future”.

At the Expo you will tour businesses at nearby Caribbean Business Park, find out about pathways and courses available at Swinburne University and have the chance to explore and play at the Pop Up KIOSC!

**WHERE:** Caribbean Rollerama, 1298 Ferntree Gully Road, Scoresby Victoria, 3179

**WHEN:** Tuesday 18th August, 2015 from 9.00am to 2.30pm

**WHO:** For students in Years 10-12. **Places are strictly limited.** To book your school’s visit to “Careers of the Future” [CLICK HERE](http://www.kiosc.vic.edu.au) to register.
