

# Knox Innovation Opportunity & Sustainability Centre

## COVID Guidelines (Updated: 08/02/2022)

KIOSC Operates in accordance with the Department of Education Guidelines. As per the last DET update KIOSC can continue to operate with the following provisions:

### 14. Other school and curriculum settings

#### VCE/VCAL/VET provision in schools, TAFEs, non-school senior secondary providers and other training organisations

Students can participate in face-to-face VCE or VCAL classes, including VET studies, where these are held at TAFEs, RTOs, non-school senior secondary providers, or schools.

#### Tech Schools, Trade Training Centres, KIOSC and Science and Mathematics Specialist Centres

Tech Schools, Trade Training Centres, KIOSC, Stem Centre of Excellence, and Science and Mathematics Specialist Centres will continue onsite learning for all students.

## Attending KIOSC

### 📌 KIOSC Requirements:

- Reduce student attendance, where possible.
- Minimize the mixing of schools in attendance, where possible.
- Provide hand sanitizer and cleaning equipment for visiting staff and students.

### 📌 School Requirements:

- All teachers and students wear PPE, unless otherwise exempt.
- All teachers to check-in with QR code - fully vaccinated (this is Swinburne's requirements), then show that check-in has been completed to the attending KIOSC staff.
- Teachers to complete students' COVID check-in at Level 2 KIOSC (there are 2 Laptops) with parents or guardians' contact no. It is advisable to bring along a soft copy on a USB.
- Provide a list (soft copy or hard copy) of student attendance to KIOSC front office (Jen or Leanne). This will be kept in a secured folder at KIOSC for 28 days.
- Students should wipe down their working area at the completion of their class.
- For activities that require Lab Coats and Safety Glasses:
  - If booked into a program that requires Lab Coats – the school will be notified to supply their students. If this arrangement cannot be complete – please contact Leanne Caira for advice.
  - Safety Glasses – KIOSC has a UV Sanitizer Safety Glasses cabinet where glasses undergo a deep UV 15 minute clean. Students are welcome to bring their own.
- Staff must practice physical distancing 1.5m
- Students should practice physical distancing where possible
- Staff should eat and drink outside wherever possible
